

We're on the Look Out!

The Girl Scouts Heart of New Jersey Camps and Camp Programs are asking for your help in gathering supplies to be used throughout the year and during the summer camp season. Your donation will make it possible for us to improve our sites and provide the necessary supplies for a happy camping trip for all. If you are interested in making a donation, please email Deb Hooker at dhooker@gshnj.org to arrange a pick up or drop off at the service centers.

Thank you in advance for all your help!
