DELAYS & DISRUPTIONS

How have your project plans been impacted?

How have your communities been impacted?

How have your community partners or team members been affected?

NOW WHAT?

GROUPTHINK

Do I want or need to revise my plan?

Are my project goals the same?

Have the needs of my community/target audience changed? Can my project respond to that?

How do I keep things in motion, when it seems everything else is on pause?

We're in this together!
