Girl Scouts Love State Parks is a national event that highlights a deep partnership between Girl Scouts and state parks in all 50 states. This year, to celebrate our partnership we will be hosting events at various New Jersey State Parks on September 11th and 12th.

In partnership with New Jersey State Parks and the four Girl Scouts councils of New Jersey, come out and explore all our beautiful parks have to offer. Professional led programs at a handful of our state parks will guide you and your girl through many different kinds of adventure! See below for all programs and locations.
