When you sell Girl Scout Cookies®, you run your very own business! Find out how to sell cookies and excite your customers. Then decide how you'll use the cookie money with your Girl Scout friends.

Steps
1. Find out about Girl Scout Cookies
2. Decide how to use your cookie money and set a goal
3. Practice your sales pitch

Purpose
When I've earned this badge, I will know how to sell Girl Scout Cookies and use my troop's cookie money.

My First Cookie Business

Daisy

Imagine a superhero team. They help with big and small problems. They're caring. They make the world a better place. They're leaders.

Now, what would the superheroes do in the digital world? The digital world is where you use technology, like a computer, tablet, or phone. Who would they help? How would they lead?

In this badge, find out how you can be a digital leader and use technology in a way that is safe, kind, and helpful.

Steps
1. Discover your communities
2. Explore a world of information
3. Use technology for good

Purpose
When I've earned this badge, I'll know what information is safe to share online. I'll know how technology can make the world a better place.

Daisy Digital Leadership

Daisy

Nature is full of beautiful things. You can find rainbows. You can search for flowers. You can look for leaves. This badge is all about looking carefully at nature. You never know what you'll find!

Steps
1. Search for shapes in nature
2. Find and make patterns
3. Create art inspired by nature

Purpose
When I've earned this badge, I'll know how to identify shapes and patterns in nature. I'll also know how to create my own.

This badge is part of the Math in Nature series of three badges.

Brownie Shapes in Nature
Nature is full of colors and shapes. Imagine a leopard's spots or a butterfly's wings. Think of a bee's honeycomb or a turtle's shell. In this badge, you'll look carefully at nature. You'll track what you see. You'll create art about it. You'll share what you find.

Steps
1. Track natural objects
2. Graph natural objects
3. Make a spiderweb with symmetry
4. Explore tessellations
5. Collect data about birds

Purpose
When I've earned this badge, I'll know about counting, graphing, symmetry, and tessellations. I'll also know about spiders, birds, and other natural objects. This badge is part of the Math in Nature series of three badges.

My Cookie Customers
Part of your cookie business is meeting customers. Find out how to get new customers and keep them coming back!

Steps
1. Learn about Girl Scout Cookies®
2. Decide how to use your cookie money
3. Find customers
4. Handle money and make change
5. Connect with customers

Purpose
When I've earned this badge, I will know how to find new customers and talk to them about my cookie business.

Brownie Digital Leadership
Every day, people use technology to help us do things. We use cars. We use microwaves. We also use computers. Digital technology is machines like computers, tablets, or smartphones. Everything we do with digital technology happens in our digital world.

In this badge, find out how technology can help you be a leader who teaches, inspires, and makes the world a better place.

Steps
1. Explore your communities
2. Discover your digital footprint
3. Examine what's true and not
4. Design a digital community
5. Create content for change

Purpose
When I've earned this badge, I will know how to lead in the digital world. I'll know how to use technology to make the internet and world a better place.

**Junior Digital Leadership**

You can explore the digital world with a phone, tablet, or laptop. Digital means finding or sharing information online. It's also connecting with others. You can chat with friends, look up information, or watch funny videos. This is the power of technology!

People build technology and the digital world. They code websites and apps. They make digital art. And you can, too!

In this badge, explore how you can use technology to learn, share, act, and help others in the digital world.

**Steps**

1. Explore how you connect with others
2. Discover your digital footprint
3. Consider the source
4. Design a digital community
5. Create content for change

**Purpose**

When I've earned this badge, I'll know how to protect myself and others online. I'll know how technology can make the world a better place.

**My Cookie Team**

When you earn this badge, you will learn that the secret to a successful cookie business is teamwork. Everyone has different skills and ideas to offer. Work with your Girl Scout group to meet your goals and have fun!

**Steps**

1. Find out about Girl Scout Cookies®
2. Decide how to use your cookie money
3. Set a troop budget and package goal
4. Build your team
5. Create your pitch to customers

**Purpose**

When I've earned this badge, I will know how to use teamwork to help my cookie business.

**Junior Shapes in Nature**

How are butterfly wings, peacock feathers, seashells, and lightning alike? They're all patterns in nature. A pattern is when something repeats itself, like a checkerboard or stripes on a tiger.

Nature is a talented artist! It uses patterns, based in math, in many creations. In this badge, explore patterns found in nature and use math to create your own.

**Steps**

1. Identify symmetry in nature
2. Explore bilateral symmetry in nature
3. Create nature-inspired art with circular symmetry
4. Find fractals in nature
5. Search for the Fibonacci sequence

**Purpose**

When I've earned this badge, I'll know about symmetry, fractals, and the Fibonacci sequence. I'll have identified and made patterns inspired by nature.

This badge is part of the Math in Nature series of three badges.
