

## Activities at Camp DeWitt

All activities are designed to be 1 hour in length for a group of 12-15 participants. Activities can be run as a rotation for larger groups alongside other camp-led or group-led activities. Supplies will be provided for any activities selected as group-led. Please see below descriptions for age limits or instructor requirements. Following the submission of your reservation form, the rental team will create a preliminary schedule for camp-led activities, based on your requests and staff availability.
