

A Regional Celebration—Rooted in Newark, Open to All

On June 6, Girl Scouts Heart of New Jersey will host its 2nd Annual Community Celebration at the Girl Scout Leadership Center (GSLC) in Newark, welcoming families, community partners, and local businesses from across our council footprint.

This free, family-friendly event brings together members from across our Council footprint: Hudson, Essex, Union, Somerset, Hunterdon, and parts of Warren and Middlesex counties as well as the local community for a day that reflects the energy, diversity, and connectivity of the communities we serve. Through live entertainment, local small business and food vendors, and interactive activities led by Girl Scouts and community partners, the Celebration creates a shared space for engagement, visibility, and community pride.

This annual Community Celebration serves as a regional gathering point—bringing neighbors together to connect and experience the strength and diversity of our community.

Why Partnership Matters

This event is powered by partners who believe in creating meaningful opportunities for young people and families across our region, an investment in community connection, youth development, and greater access to new experiences.

Sponsorship support helps ensure the event remains free and accessible while also:

- Creating meaningful visibility and engagement opportunities for local businesses and entrepreneurs
- Supporting youth-led programming that highlights leadership, creativity, and skill-building
- Strengthening connections between families, community organizations, and local resources
- Bringing high-quality, inclusive programming into a shared public space

Join Us

We invite you to partner with Girl Scouts Heart of New Jersey in bringing this signature community event to life.

Your support fuels a high-quality, visible experience that strengthens community connection, elevates local businesses, and opens new pathways for young people across our region to see what they can become through Girl Scouts.
