A Message from Our CEO

Dear Girl Scout Champion,

At Girl Scouts Heart of New Jersey, we are inspired every day by girls who dream big, take bold steps, and grow into leaders of tomorrow. Their success is fueled not only by our programs, but by the partnerships we build with organizations who share our vision.

This year, we are proud to be evolving the way we work with our supporters—shifting to a **holistic partnership model** that deepens collaboration and maximizes impact. By working more strategically and intentionally together, we create stronger connections and ensure every investment helps girls thrive across multiple areas of their development. Many of these partnerships are with women who were once Girl Scouts themselves or organizations that are closely aligned with our mission, bringing full-circle impact to the work we do.

Your support of the **Women of Vision Awards Breakfast**, our **annual signature fundraiser**, on **Tuesday, May 12, 2026, at The Marigold in Somerset, NJ**, allows us to continue this transformative work. It ensures our programs build courage, confidence, and character, while expanding opportunities for girls to explore, lead, and dream without limits.

We are thrilled to honor this year's remarkable leaders, whose stories will inspire our girls and demonstrate the power of women who lead with vision, integrity, and purpose.

Thank you for joining us in this important work—together, we are creating a future where every girl can dream boldly, and every partnership makes that dream possible.

With gratitude,

About Girl Scouts Heart of New Jersey

Girl Scouts Heart of NJ engages more than 12,500 members in grades K–12 across 138 communities in seven counties, providing girls with transformative experiences that foster leadership, resilience, and a lifelong commitment to service. Supported by 8,000+ dedicated volunteers, GSHNJ serves urban, suburban, and rural areas through our service center in Westfield, the Girl Scout Leadership Center in Newark, and three camp properties: Camp Hoover (Middletown), Camp DeWitt (Hillsborough), and The OVAL (Maplewood).

Girl Scout Mission

The Girl Scout mission speaks to the vision we all share for our members: Girl Scouting builds young people of courage, confidence, and character who help make the world a better place.

Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

*Members may substitute the world God in accordance with their own spiritual beliefs.

Our Programs Build Future ‘Women of Vision’

When young people participate in the Girl Scouting experience, they gain measurable skills that prepare them to discover, connect, and take action with confidence and purpose. These skills are built through a unique approach that emphasizes collaboration, creativity, and empathy, ensuring every Girl Scout is equipped to not only excel, but to thrive.

The core content pillars allow Girl Scouts to explore the world and themselves, often exposing them to opportunities they otherwise would never have access to.

STEM

STEM skills are critical for young leaders shaping a better world. Yet, women hold only 27% of STEM jobs in the US workforce. Through science, technology, engineering, and math programs, Girl Scouts build confidence and spark interest in these fields.

Entrepreneurship

Developing entrepreneurial skills helps youth gain confidence to take risks, build independence, and create positive change. In the GS Cookie Program, Girl Scouts apply key skills like goal setting, decision making, and business ethics.

Life Skills

Confidence grows through experiences in healthy living, civic engagement, and communication. Whether staying active, strengthening relationships, or advocating for others, Girl Scouts develop skills to overcome challenges and lead their best lives.

Outdoors

Bringing young people outdoors has long been part of the Girl Scout experience. Many say camping is a highlight, fostering independence, resilience, and a deeper connection to nature in a girl-led setting.
